Good Morning Dear Friend

Have you ever been in a situation where you thought the right decision was a direction you didn't want to go? At stake may have been your pride, your reputation, finances, a relationship, time commitment, or something else, but whatever it was, you just didn't want to submit to where the evidence was pointing you. If so, you may be able to identify with the religious leaders in our Scripture passage today. May God help us each choose wisely in the many areas of our life, submitting to Him and following Him, wherever He would lead us. Thanks so much for worshipping with us today. Have a great week!
